PERUGIA, ISPIRAZIONE

Accademia Amsterdam invites amateurs, (music) students and their teachers to an exciting summer course dedicated to baroque chamber music and dance. Friends, partners and other interested people, can follow a varied side programme with courses in painting & drawing and original Italian "cucina".

The musicians of Accademia Amsterdam will treat participants to an inspiring concert. Students present themselves in the beautiful Auditorium Marianum of the Istituto Musicale "G. Frescobaldi", in the historical centre of Perugia, where most of the classes are taking place.

Dance guest tutor Dorothée Wortelboer will tempt you to experience baroque dance, or to improve on your technique and style. We organise additional music and dance master classes for participants who would like to obtain individual coaching in technique and style.

The historical and artistic beauty of Perugia and the gentle landscape of the Umbrian hills serve as a source of inspiration. Particular attention is paid to the overall interpretation of the early baroque period up to classicism. Architectural elements of antique buildings, people in the streets, still lives and so called "vedute" can serve as subjects for the arts.

Accademia Amsterdam invita studenti, dilettanti e insegnanti di musica ad un corso estivo emozionante dedicato alla musica da camera barocca e ballo. Amici, partner e altre persone interessate, possono seguire un programma collaterale con corsi di pittura, disegno e cucina italiana.

Dorotee Wortelboer insegnante di danza vi introdurrà nel mondo e nei segreti della danza barocca. Offriamo la possibilità di seguire dei master-class per i partecipanti che desiderano avere dei consigli individuali sulla tecnica o sull'interpretazione.

I musicisti dell'Accademia Amsterdam terranno un concerto introduttivo ed i corsisti suoneranno

nel bellissimo Auditorium Marianum dell'Istituto Musicale "G. Frescobaldi", nel centro storico di Perugia, dove si terranno i corsi. Le bellezze storiche e artistiche di Perugia e il dolce paesaggio delle colline umbre saranno utilizzati come fonte d'ispirazione. Per la musica, particolare attenzione è rivolta all'interpretazione del primo periodo barocco fino al classicismo.

WHO CAN ATTEND?

CHI PUÒ PARTECIPARE?

Courses are open to all instrumentalists, singers, (baroque) dancers and people interested in the arts and Italian cuisine. Participants of all ages can apply, from moderately advanced amateurs to college of music students. Music teachers (who bring in their students) can follow advanced interpretation workshops at an advantageous rate. The experienced members of Accademia Amsterdam will coach dancers, singers, and wind, string and keyboard players of both modern and historic instruments. Individuals are welcome as well as ensembles. The courses in arts and cooking are suited to any level.

I corsi sono accessibili a cantanti, strumentisti, ballerini e alle persone interessate alle arti e la cucina tradizionale. Sono aperti a tutte le età, dai dilettanti di buon livello fino agli studenti di musica. Insegnanti di musica (che iscrivono loro studenti) potranno seguire laboratori d'interpretazione avanzata ad un prezzo scontato. Saranno aperte le cattedre di ballo, canto, oboe, flauto dolce, violino e violoncello barocco e clavicembalo e basso continuo.

WHERE TO STAY?

DOVE DORMIRE?

Just outside the city walls, amongst olive groves, we find agriturismo Borgo Casale dell' Angelo, where guest-students can stay in luxuriously restored apartments. Participants wishing less luxurious accommodation can stay at a camping site or in "ostelli" in the neighbourhood or in the historic centre of Perugia. Across the road from, or very close to Istituto Musicale "G. Frescobaldi" are affordable hotels.

Appena fuori le mura della città, tra uliveti, troviamo l'agriturismo Borgo Casale dell'Angelo, dove gli ospiti, gli studenti possono soggiornare in appartamenti ben ristrutturati, altrimenti in città o subito fuori vi sono ostelli e alberghi.

EXCURSIONS

ESCURSIONI

While we emphasize on making music and create arts together, some time will be dedicated to excursions to one of the local cultural highlights in Perugia. For those interested, we will organize a visit to one of the most prestigious historical villas in Umbria, Villa Monticelli, where we can taste the rich olive oil from the 'tenuta'.

Sarà dedicata una giornata a chi vuole fare delle escursioni in città, a monumenti caratteristici o a Villa Monticelli, una delle ville umbre più prestigiose.

DINNERS

CENE

Of course we do not forget the good life: dinners are being served in the proper Italian way, in one of the typical Perugian restaurants, called "Kefè". On the last day, the results of the courses in arts may be exhibited on the walls and you can enjoy the Umbrian traditional kitchen during the final party dinner.

Le cene su prenotazione si consumeranno al ristorante bar "Kefè", tipico ristorante locale.
