The Festival can provide workshop participants with an inexpensive accommodation option in the classrooms and gym of a school located in the Krakow city centre for only 10 PLN per person per night. The school is fitted with full bathroom and toilet facilities. The number of places available is limited. In order to secure a place, a reservation is necessary. If using this option, remember to bring your own mattress, foam pad or sleeping bag.

Other accommodation options in the city remain within the participants' own compass. We can enclose a list of reasonably priced hotels and hostels on request. In exceptional circumstances, we can help book rooms, but we have to be notified about the need in advance.
